

OUR LIFE SAVING RULES

Target: **zero** fatal accident

Clip on your harness when working at height.

Do not perform hot work unless the fire or explosion risks have been eliminated.

Stay out of the path of moving vehicles, plant and equipment.

Do not walk or stand under a load.

Verify that there is no live energy (mechanical, chemical, electrical, fluids under pressure, etc.) before starting work.

Do not handle your phone or any other communication device when driving.

Only enter a trench if the appropriate wall supports are in place.

Do not drive under the influence of alcohol or drugs.

The atmosphere must be tested safe before entering a confined space and monitored as you work.
